Profile of the Institute:

Dr. Sivanthi Aditanar College of Engineering, Tiruchendur, established in the year 1995, is the fruit of dedicated effort from eminent industrialist and enthusiastic educationist Padma Shri Dr. B. Sivanthi Adityan. Honourable founder had constantly strived to establish a center of Excellence in Engineering & Technology in rural area to develop qualified manpower with entrepreneurship qualities useful for industry.

The Institution under the dominant leadership of our beloved Chairman Shri.S.Balasubramanian Adityan, is emerging as a center of excellence in academic and R & D with the vision to adhere current technological demands.

The Institution is approved by AICTE, New Delhi and is affiliated to Anna University Chennai. Institution is recognized as “In house Research & Development centre”, by Scientific & Industrial Research Organization, Government of India. The campus is situated in a quiet environment about 5 km from Tiruchendur railway station. The college is ISO 9001-2015 certified and accredited by the NBA (CSE). It is also accredited by Tata Consultancy Services (TCS) and the Institution of Engineers (India). The institute offers 7 UG, 2 PG programme in Engineering and MBA degree programme.

About the Department:

The Department of Computer Science and Engineering was established in 1995. It is privileged to have dedicated faculty with rich experience in academic and research imparting High Quality Research-Oriented Education.

It has well equipped and state-of-art laboratories providing internet connectivity with WI-FI to cater the needs of students & faculty. It is also offering M.E. in Computer Science and Engineering since 2006. It has been reaccredited by NBA, New Delhi. It has vibrant associations like Computer Society of India, ISTE, IE(India) and Sivanthi Computer Association, which actively organize many useful programmes such as symposium, guest lectures and various events. It is an approved Research center. It has received grants from AICTE, DRDO, CSIR, DIT for major R&D projects and also organizing seminars, workshops, short term-courses and conferences.

It has successfully completed two major R&D funded projects of AICTE and 11 minor Projects of IE (India) & TNSCST. Four major and two minor R&D funded projects of AICTE, DRDO and DST are in progress.
