

**CALL FOR PAPERS:**

Research papers are invited for the following topics, but not limited to:

- Network Security
- Image processing
- Data Mining
- Block Chain
- Big Data Analytics
- Mobile / Parallel / Cloud / Nano Computing
- Artificial Intelligence and Neural networks
- Internet of Things
- Machine Learning
- Embedded Systems
- Computational Intelligence

**ABOUT THE CONFERENCE:**

This conference is conducted mainly

- To exhibit the talents and skills of the aspirant engineers in technical base
- To stimulate and encourage budding engineers to exhibit their talents and skills.
- To identify key research findings and to propose development of new applications
- The conference will serve as a platform to discuss and deliberate various challenges that will impact the society at large.

**MISSION:**

**ABOUT THE INSTITUTION:**

Dr.SACOE was established in the year 1995 with the principal objective of bringing quality education within the reach of the weaker sections, particularly in rural areas. The college is an ISO 9001:2015 certified institution by TUV and affiliated to Anna University, Chennai. The college is approved by AICTE and Institution of Engineers (India) & TCS, Chennai. The college offers 7 Undergraduate Programs and 3 Postgraduate Programs. The Institution has students' chapters of various Professional Societies like IET, IEEE, ISTE, and CSI and has signed 49 MoUs with reputed MNCs as well as Government Organizations. Institution is recognized as in-house R&D by Scientific and Industrial Research Organization, Government of India.

**ABOUT THE DEPARTMENT:**

The Department of Computer Science and Engineering was established in 1995 and is privileged to have dedicated faculty with rich experience in academic and research imparting high quality Research-Oriented education. The Department is also offering M.E. in Computer Science and Engineering since 2006. The department is accredited by NBA, New Delhi.

The Department has well equipped and state-of-art laboratories providing internet connectivity with 155 Mbps Wi-Fi to cater the needs of students & faculty. The Department has vibrant student chapters of professional bodies like Computer Society of India, ISTE, IE(India) and department level Sivanthi Computer Association (SCAN), which actively organizes many programmes to explore the hidden talents of student. CSI has been awarded with Largest Student Branch award for three years and Best accredited Students Branch Award for four years.

CSE Department is an approved Anna university Research center and has also received grants from AICTE, DRDO, CSIR, DIT for major R&D projects and also organizes seminars, workshops, short-term courses and conferences. The Department has successfully completed 13 major R&D funded projects of AICTE and 20 minor Projects of IE (India) & TNSCST.
